

The Hidden World under our Feet

Fantastic Fungi

The next time you're out on a hike or even taking a walk in your neighbourhood, pause and look down. While you might not be able to see what's happening, the mycelial network is always underneath.

Whether you're foraging for mushrooms or rewatching the film, let those feelings of awe and wonder inspire you to slow down enough to be present and get curious. Van de website van Fantastic Fungi <https://shop.fantasticfungi.com/blogs/news/10-things-to-know-about-the-mycelial-network>
